MEMORANDUM FOR THE RECORD

SUBJECT : JOT Training for Headquarters Functions

**REFERENCE: A. Memo from AC/OS/TR to [REDACTED], dtd 8 Sep 64,
Subj: Operations Course Coverage of Headquarters
Functions for JOT's**

**B. Memo from [REDACTED] to AC/OS/TR, dtd
10 Sep 64, subject same as Ref. A. above**

1. I received a call from the DDTR indicating that Reference B. had been passed to the DDP/TRO for his comments. The DDP/TRO agrees with C/OT [REDACTED] that Headquarters training in the Clandestine Services is a responsibility of the component to which the JOT is assigned. It should be done through on-the-job instructions and participation in certain advanced and specialized courses presented at Headquarters. The DDP/TRO will make sure that the Clandestine Services recognizes its responsibility for training as outlined above.

2. It is suggested that one of the specialized training courses described above, which should be taken by all JOT's following completion of the OC, would be the proposed Clandestine Services Name Check Course. It will be highly unlikely that the JOT's would be able to go to the Clandestine Services Name Check Course immediately following their completion of the OC. However, it is recommended that they be given an opportunity to participate in this course at the earliest opportunity.
